PLANNING & CODE ENFORCEMENT

Re: Chesapeake Terrace

Dear Mr. Dooley:

Enclosed please find copies of the report from the Traffic Group on an extension of the entrance to the sand and gravel and rubble landfill facility farther up Conway Road. Please forward these to the appropriate person for review and comment. I understand that any comments will be preliminary and that any discussions will not constitute a commitment by either party to approve an access different from that previously proposed.

Sincerely,

Susanne Koster Henley
