RE: Surface Mining Application #95-SL-0454

Dear Mr. Larrimore:

In response to a notice from the National Waste Managers, Inc., dated March 4, 1996, concerning their filing of a Permit to Surface Mine non-coal Minerals with the Maryland Department of the Environment, the residents of the Forks of the Patuxent Improvement Association do hereby request a public informational hearing concerning this matter. We request, if possible, that this hearing be held during the evening hours so that all concerned residents may have the opportunity to attend.

In addition to a hearing, we also request copies of any informational material which you may have on file that would be of interest to us concerning this matter.

When a hearing date and time have been confirmed, please contact me at the above address. If you need additional information or wish to discuss our request further, please contact me at 301-261-3424.

Sincerely,

Katharina DeHaas
