*From the Desk of
Katharina E. DeHaas
President of the Forks of the Patuxent Improvement Association*

Kevin,

8 May 1996

Enclosed you will find a copy of the letter which was received from Ed Larrimore to the adjoining property owners. I have also enclosed a copy of the Halle Sand and Gravel application and maps. At this time, the members of the Forks of the Patuxent Improvement Association are proceeding with a game plan for the scheduled MDE hearing on June 3rd. I am hoping that the county can convince Ed to disapprove the application based on the location of the haul road. If you are able to accomplish this, please notify me at (301) 261-3424. We would appreciate any advice or suggestions from the county on this issue.

We would like to thank you in advance for all of the time and effort you have invested on this issue.

Thanks,
Kathy.

Please
Ask Joe Delibazo
to come along to
the hearing.
