Inter-Office Correspondence

**RECEIVED**

DATE: October 26, 2001  
TO: Linda Schuett, County Attorney  
FROM: James Pittman, Deputy Director  
SUBJECT: Chesapeake Terrace Rubble Landfill

ULI 25 2001

**PLANNING ADMINISTRATION**

Our office received notification yesterday from the Maryland Department of the Environment (Department) that the application process for the referenced proposed landfill is re-activated. Specifically, the Department is scheduled to hold an Informational Meeting on December 3 in Odenton. I would not be surprised if members of the State delegation will be vocal on the issue.

The County needs to decide whether it wants representation at the meeting and what the County's position is to be. For public perception reasons alone, I do not recommend that we remain silent on the issue. We may need to alert the County Executive on this issue since I anticipate members of the public and elected officials will contact her in the near future. If you need anything from me, please call at your convenience.
