Dear Mr. Halle:

On April 14, 2005, the Maryland Department of the Environment (the "Department") received 13 copies of the Phase III Engineering Plans and Specifications Report for the proposed Chesapeake Terrace Rubble Landfill. The proposed landfill is to be located south of Odenton in Anne Arundel County, Maryland. Century Engineering submitted the report on your behalf.

Copies of this letter and the Phase III Report are being transmitted to all interested agencies for their review and comments. A Phase III joint plan review meeting has been scheduled for Wednesday, September 14, 2005 at 10:00 a.m. at this office. All interested agencies are invited to attend this meeting. Any written comments regarding the Phase III Report should be submitted to the Department by July 23, 2005. Please refer to the document control number **1993-WRF-0225** when writing the Department regarding this application.

If you have any questions concerning this matter, please contact Mr. Kassa Kebede, Head of the Construction and Maintenance Section, at (410) 537-3424.

Sincerely,

Martha Hynson, Chief  
Field Operations & Projects Division
