Gentlemen:

Attached please find photographic evidence of posting of the six signs for the above referenced Variance application. Also attached please find a vicinity map illustrating the locations of the posting. The property is conspicuously posted in three locations, with two signs at each location. Signs were erected on Friday October 7, 2005. The attached photos were taken Monday, October 10, 2005. Site visits were made by myself on October 10, 2005, October 13, 2005, October 17, 2005, October 20, 2005, and October 24, 2005 to confirm that the signs were intact and that the information contained upon the signs remained legible.

Should you have any questions please do not hesitate to contact me.

Very truly yours
