Dear Mr. Halle:

This is in reference to your request for an extension of time to the Department of the Army Permit, **CENAB-OP-RMN (CHESAPEAKE TERRACE RUBBLE LANDFILL) 1991-01204-M18**. The property is located adjacent to the Little Patuxent River on Patuxent Road, Odenton, Anne Arundel County, Maryland.

As there have been no significant changes in the attendant circumstances since authorization was granted, the District has determined that it is not contrary to the public interest to grant an extension of time. Accordingly, the time limit for completing the work authorized ends on December 31, 2023. Please note, no additional extensions for the proposed work will be granted by this office.

All conditions of the original permit remain in effect. You may proceed with the construction indicated therein, provided you have obtained all other required state and/or local authorizations.

If you have any questions concerning this matter, please call Mr. Richard Kibby of this office at (410)962-0694.
